2024 Sponsorship Opportunities

We invite you to the 12th Annual South Sound Philanthropy Summit, which is co-presented by the two leading South Sound professional groups: the South Sound Planned Giving Council and the Association of Fundraising Professionals—South Sound Chapter.

The Philanthropy Summit traditionally brings together more than 200 professionals representing all aspects of the philanthropic community including nonprofits, foundations, and estate planning professionals in the financial, legal, and accounting areas.

The theme of this year's summit is "Do Good South Sound" borrowed from Do Good Recklessly; meaning "Unleash the Power of Compassionate Actions!" Our shared learning will focus on celebrating and inspiring greater philanthropy in the South Sound.

The Summit will feature keynotes from industry thought leaders, a panel presentation from sector innovators, roundtable discussions led by prominent local philanthropic professionals, a networking happy hour so participants and sponsors can interact and discuss topics of interest to them, and vendor space for Cornerstone, Presenting and Champion Sponsors.

If your business involves working with nonprofit professionals, professional advisors, or individuals who are interested in philanthropy and the power it has to transform our community... If you are inspired to serve, support, and celebrate the people and organizations shoring up our community right now... If you want to promote the in-person connection people are longing for... then sponsorship for the 2024 South Sound Philanthropy Summit is an opportunity you can't afford to pass up. We welcome you!

NOTE – Payment deadline to make publications and promotional materials is August 15, 2024
